

Letter of Authorization For Outbound Calling Contract

I authorize DynaComm Corporation to notify my local telephone company that I wish to switch the long distance carrier for each number listed below to DynaComm for my long distance* and local toll service**. I verify that I am over 18 years of age and that the telephone number and address I have listed below match the name and address on record with my local carrier for each telephone line listed. I understand that I may select only one long distance carrier and one local toll carrier (if applicable) for each line. By switching long distance carriers, I realize that my local telephone company may assess a separate nominal service fee to switch my local toll service and long distance carrier(s). This application is subject to credit review and DynaComm may make use of any information obtained through this application or from any credit reporting agencies. I designate DynaComm to act as my agent in carrying out this long distance carrier change with my local telephone company. I will be responsible for all valid DynaComm charges for local toll service and long distance usage and will call DynaComm at (248) 478-4301 with any questions regarding my bill or my local toll and long distance service.

* Area Codes 231 / 517 / 616 / 906 and Continental United States

** Area Codes 248 / 313 / 586 / 734 / 810

Customer signature below authorizes DynaComm Corporation to bill for this usage and customer agrees to pay the charges billed.
